

## NEHA Informatics Committee Agenda

### Friday, September 29, 2017 @ 2:00pm ET

---

#### 2:00pm – Welcome

- Committee Purpose
  - Welcome the committee and thank for willingness to share expertise, time and input with us.
  - Advise NEHA on important issues pertaining to your area of expertise. Items we will work on within the group are: conducting a scan of existing resources for local data-use, identification of needed trainings and resources, development of conference content and webinars, abstract review, and more.
  - Mission statement:
    - To be a resource for environmental health professionals and NEHA leadership dedicated to developing informatics resources and programs, increasing workforce capacity and fostering improved data-use to protect public health.
- Committee Process
  - Members from all areas (local, state, fed, industry, consultants)
  - May break into sub-groups/workgroups as appropriate

#### 2:10pm – Introductions

- NEHA Staff Team
- Committee
  - Please take 30 seconds to name one thing that you would like to see accomplished by this group or that you feel is needed.
